Good Afternoon Mark and Penny,

I just wanted to confirm that PDC does plan to drill a replacement well for this unexpected P&A. I will submit all paperwork as a "rig skid" per Mark. As soon as I get all of the info and submit the Form 2 and 5, I will notify you guys. I was told a Form 6 SR was filed, but I have been unable to track it down. Please let me know if this is needed and I will get that out to you as well.

The well name for the PA well has been changed to include ABL (Becker Ranch ABL 5J-323) Document 400885172.

The well name for the replacement well will be Becker Ranch 5J-323R.

Please let me know if you have any questions or need any additional information.

Thank you!!!

Venessa
