Re: West Rangely Weber Unit

Gentlemen:

We are the attorneys for Virginia W. Hill and for the Estate of Charles S. Hill, deceased, royalty owners in the Rangely Field and have given careful consideration to the proposed Unit Agreement recently forwarded by you.

We regret to advise that the Unit Agreement is unacceptable to us in its present form. We understand that other interest owners have also been unable to accept it and that you have been acquainted with the reasons therefor in communications with such other owners.

Very truly yours,

LEW:ejr
