Mark gives permission to access Lauck # 1.on Kauffman Bros property. This is our property.
There was a Lauck #1 across the tracks. This is reason for confussion.

Thank you for the response Carol. As far as the county is concerned Kauffman Brothers Limited Partnership is still the owner of the surface where the old Luack #1 well sits. With Mark being a managing member of the partnership he can give us the approval for access onto the property after the wheat harvest to re-enter the old well. The picture below shows the property I am referencing with the owner being Kauffman Brothers Limited.

Jeff, We did a trade with Julie Pluss who then sold it to Mel Chavez. I think he lives in Brighton, Colorado. Lauck 1 belongs to him. I think the paper work I gave you W-9 is wrong. Mark's SS is 523-64-9915. Please correct it. Mark's short term memory is not what it used to be. Please make sure I am included in all conversations. My number is 303 961 3872. Carol Kauffman

Mark,
As we discussed, Verdad is planning to complete the reentry on the old vertical well named the Lauck #1 on your land. If you would please reply with your approval that would be great so that we can submit it to the COGCC with our permits.
Thanks,

Jeff Berghorn
