Re: Proposed West Rangely Unit

Mr. Woollon H. Welshe
The California Company
800 The California Company Building
New Orleans, Louisiana

Dear Sir:

I believe my letter to you of September 9, which evidently crossed in transit your letter of the same date, clearly states our position in connection with the proposed West Rangely Weber Unit. For the reasons stated in my letter, it is definitely impossible for us to become a party to the proposed unitization project.

Yours very truly,

G. B. Jenkinson
