Kyla,

I do not think the access road map was attached. Could you please resend the email?

Thanks,

Arthur

Arthur,

Please see attached revised access road map for the Knoss 6-21. Would you please delete the existing document and replace with this revised document? Document #400298974

Doc #400298962, Form 2A.

If an on-site is scheduled, Nighthawk would like to be present. Will you advise if this on-site is to take place?

The revised document is being delivered to Mr. Poss today as well.
