COLO. OIL & GAS CONS. COMM.

Oil & Gas Commission
1580 Logan Street
Suite 380
Denver, Colorado 80203

In the matter of the Rules and Regulations of the Colorado Oil & Gas Conservation Commission of Kiowa County, Colorado, Cause No. 1, Docket No. 12-28, we request the following protest be filed.

As the surface owners of NE/4 1-18-42, we have not been notified of the damages to be paid or how the well is to be accessed. The land is currently in growing wheat, and we feel we should receive a percent of the well.

We are also concerned about the adverse affects this well would have on the other 4 producing wells from the Morrow Formation in the section. The saltwater could be detrimental to the future production of this formation.

We request this information be considered by the commission when making their decision on this matter.

Sincerely,

Brad Schneider Dee Anna Schneider
