Notice of Drilling Operations
Well Name: Bernhardt 13-T
Township 4 North, Range 67 West, 6th P. M.
Section 13: Located approx ¼ mi West of SE corner
(See Map Attached for Location)
Weld County, Colorado

Dear Mr. Bernhardt:

Pursuant to Rule 305.e. (1). B. Advance Notice, of the Rules and Regulations of the Colorado Oil and Gas Conservation Commission ("COGCC"), Petroleum Development Corporation, Inc., ("PDC"), as Operator, hereby gives notice to you that it intends to commence operations for the drilling of a well or wells for oil/and or gas on the referenced lands no sooner than (30 days). As surface owner you have the responsibility for notifying any affected tenant of the proposed operations.

This well location has been staked (surveyed) and we had our Consultation meeting on May 12, 2008, concerning this location. The original drilling permit will expire August 17, 2009, and we will be re-filing the drilling permit as we do not plan on drilling this location before the expiration date.

In addition, I have enclosed Directional Drilling Waiver, Greater Wattenberg Area, for the captioned well location. It is requested that you sign this and return it to the undersigned. You had previously signed an identical waiver letter on May 20, 2008. This request for the new waiver is required because the State requires new waivers be signed if greater than one (1) year old. Enclosed is a postage prepaid envelope for your use in returning the signed waiver letter.

The attached two (2) page site diagram depicts the proposed location of the well and associated roads and production facilities. At this time, PDC expects that the expected date of commencement of operations with heavy equipment will be in early October of 2009. Should you have any questions regarding our operations, please feel free to contact me at (303) 517-3010.

Sincerely,
PETROLEUM DEVELOPMENT CORPORATION
