Dear Ms. Savage:

Attached is a letter from Colorado Division of Wildlife recommending Conditions of Approval (COA) for the Noble Energy Inc., 18-43A (17L Pad) well permit located on your property. The Colorado Division of Wildlife is making these recommendations to the Colorado Oil and Gas Conservation Commission (COGCC) in accordance with State Statutes and COGCC Rules.

Please look the recommendations over; there is a signature block at the bottom of the COA page. Please sign (agree with or disagree with) the COAs and return it to us. The address is:

Colorado Division of Wildlife
NW Region Service Center
711 Independent Ave.
Grand Junction, CO 81505

If you want to sign the letter, scan and convert it to a pdf and return it by email that is fine also. We are looking at a deadline of July 28, 2009 for a return document.

Please let me know if you have any questions or concerns.

Thank you for your assistance and cooperation with this permit.
