Dear Susan,

Thank you for your letter regarding EnCana's preference to have the COGCC process the APD for the Bury Crandell #12-23 Well, given the fact that the objection filed by Boa Sorte, LP under the Director's Notice of Decision on said APD was recently withdrawn. I will forward your letter on to the permitting unit.

Let me if I can assist further in this or any other matter.

Regards,

**Rob Willis**

Hi Rob, in light of Jack's October 20, 2009 email withdrawing his objection in Case No. 0910-GA-08 concerning the issuance of the Bury Crandell #12-23 permit, EnCana asks that there be no hearing on the permit and that the permitting staff issue the permit at their earliest convenience. Let me know if I need to contact permitting.

In that EnCana had not filed any written paperwork to commence the 0910-GA-08 matter but was reacting to the hearing set per Reutzler's requests as to EnCana's issuance of the permit, I hope this email will suffice in moving forward the processing of the permit and removing 0910-GA-08 from the COGCC docket.

Please let me know if you need anything else from me or EnCana.

Sincerely,

 Please consider the environment before printing this e-mail
