Subject: Re: 26K pad refills

can we take off - buried in cuttings pit? The mud itself is hailed off site, the cuttings are worked in at reclamation time.
thanks

Subject 26K pad refills

re-used, then to a disposal
facility per L. Pavelka phone
conversation.

Linda

The mud disposal for all of these says OFFSITE, method = buried in cuttings pit

Wouldn't that be ONSITE disposal????
