RE: Proposed Oil and Gas Operations  
Well Pad: McPherson 'A' Pad  
Surface location: NENW Section 16, T6S, R92W  
Garfield County, Colorado

Mr & Mrs Erpestad:

Please find attached a 305/306 Notice and Consultation letter for the above captioned location. Please be advised that we are re-filing the permit with the Colorado Oil and Gas Conservation Commission for this well pad, so although you signed and executed the waiver in conjunction with this well pad on June 26th, 2008 (attached), the COGCC requires that we obtain a current waiver letter or schedule a consultation with you, since the previous one will expire. Would you please review and either waive the right to a consultation or request a consultation making note of a preferred date, time and meeting location on the attached letter. Please return the original to my attention in the attached self addressed stamped envelope.

**In an effort to expedite this matter, I would kindly request that you also fax me a copy of the 305/306 waiver letter upon execution of the same to fax number (303) 357-7315.**

Your prompt attention to this matter is greatly appreciated.

If you have any questions, please call me at (303)357-6412 or David Strickland at (303)618-7366.

Very truly yours,

Hannah Knopping
