Re: Waiver Pursuant to COGCC Rule 305.d(1)

To Whom it may concern:

Pursuant to the Rule 305.d(1), the Director of the Colorado Oil and Gas Conservation Commission ("COGCC") is to provide notice of any "decision and any conditions of approval" to "any party with standing to request a hearing before" the COGCC "unless such a party has waived in writing its right to such notice and the Director has been provided a copy of such waiver." Rule 305.d(1). Notice of any decision includes Applications for Permit to Drill ("APD") and/or Oil and Gas Location Assessment Forms ("Form 2A"). By this letter, Newfield Production Company hereby waives its right to receive such notices with regard to decisions of the State on our application for a permit to drill (Form 2A) for our Mosher 1-1H well, to be located in the SE/4 of Section 1-13S-54W, Lincoln County, Colorado.

Newfield Production Company hereby waives its right to petition the COGCC of any decisions regarding an Application for Permit to Drill and/or Oil and Gas Location Assessment Form 2A during the 10 day period under Rule 305d(1).

Sincerely,
