Dear Director:

Per rule 603.a.(2), Petroleum Development Corporation is requesting an offsetting surface property line waiver for the above-captioned wells, located in the N/2 of Section 28, T6N, R63W.

The locations were moved to this location per the request of the surface owners. We respectfully request that you approve this waiver per the request of the surface owners and to reduce the impact on ranching operations. Attached is the offsetting surface owner waiver.

If you have any questions, please contact Sarah Garrett at 303-860-5800.

Thank you,

Sarah M. Garrett
