COGCC Remediation No. 3863

Dear Mr. Dinner:

Pursuant to your February 17, 2010 letter, the Colorado Oil and Gas Conservation Commission (COGCC) is overseeing the clean-up (remediation) of soils and shallow ground water at the location identified above. This work is under COGCC remediation number 3863. According to the cover letter submitted with each monitoring report for this work, you are identified as receiving a copy via Howard Boigon. I have attached a copy of the cover letter for the most recent status report (November 24, 2009) with you identified as a copy recipient. If you are not receiving these status reports, please contact Machii-Ross to rectify the situation. Additionally, all document and information pertaining to remediation is available as scanned images through the COGCC web page under COGCC remediation Number 3863, and I refer you to these scanned documents for the work conducted to date.

Respectfully,

Robert H. Chesson, C.P.G., P.G.
