Dear Mr. Neslin:

Please accept this notice as EnCana Oil & Gas (USA) Inc.'s request for a 502.b. variance to Colorado Oil and Gas Conservation Commission Rule 603.a.1 for the referenced well.

EnCana is the owner of the oil and gas lease covering the captioned lands and plans to drill the referenced well on an existing well pad as requested and approved by the BLM, located near San Miguel County Road R25. The subject well will be located approximately 144' from the existing County Road R25 and as far as we know today, a rig, with a maximum height (measured from the rig floor to the top of the derrick) of 140' or less will be used, survey and Topo Map are attached for your reference.

EnCana requested and received approval from the San Miguel County Road Department to waive Colorado Oil and Gas Conservation Commission Rule 603.a.1. (San Miguel County waiver attached)

If you have any questions, please feel free to contact me at 720-876-5339.

Sincerely,
