Re: **20 Day Certification Letter – Rule 318Ae**
Cockroft 19V
Township 5 North, Range 63 West
Section 19: NENE
Weld County, Colorado

Dear Director,

Petroleum Development Corporation (PDC) hereby certifies to the Director that a twenty (20) day notice has been given to all owners in the proposed wellbore spacing unit. We have not received any objections to the subject well location, proposed spacing unit, or additional producing information. PDC hereby requests the Director to approve the Boundary well.

Please see the attached spacing unit map which certifies that the NE/4 of Section 19 will have no more than eight (8) bottom-hole locations producing from the Niobrara/Codell and/or J-Sand formations.

If you should have any questions or concerns regarding this permit, please contact Sarah Garrett at (303) 860-5800.

Very truly,

Sarah M. Garrett
Landman
Petroleum Development Corporation
