Dave,

Attached is the letter signed by Berry, giving their approval of the wildlife COAs to be attached to the Form 2A.

Please let me know if you need any additional information.

Thank you,
Anna

Anna,

It is Marathon's responsibility. From now on (there will soon be information explaining wildlife issues), all additional BMPs/COAs discussed with CDOW will need both surface owner and operator approval. If you would like to discuss further, please call me on my cell at 970-309-2514. I was on a conference call earlier. Thanks.

Dave,

Is this Marathon's responsibility to get a consent letter from Berry for the COAs? I'm not sure how this process works...

Thank you,
Anna

Anna,

I have been notified that the surface owner, Berry Petroleum, needs to sign off on these wildlife BMPs. This permit has been put on hold until we receive that consent from Berry. If you have any questions, please do not hesitate to call me at (970) 625-2497 x5 (office) or (970) 309-2514 (cell), or email. Thanks.
