K.P. Kauffman Company, Inc. hereby gives twenty (20) days notice in accordance with Colorado Oil and Gas Conservation Commission rule 318A.e.(6) of a proposed boundary well or wellbore spacing unit to all owners in the proposed wellbore spacing unit. According to COGCC rules and policies, Noble Energy Production, Inc shall have a twenty (20) day period after receipt of such notice to object in writing to the K.P.
