Wayne,

I have been reviewing the Furr 22-07(F1) PAD **Form 2A** (#2096417). COGCC requests the following clarifications regarding the data Laramie Energy II has submitted on or attached to the Form 2A prior to passing the Oil and Gas Location Assessment. I have attached the **revised** general set of Conditions of Approval (COAs) associated with the Project Rulison area. COGCC would appreciate your concurrence with attaching these COAs to the Form 2A permit prior to passing the OGLA review. If you have any questions, please do not hesitate to call me at (970) 625-2497 x5 (office) or (970) 309-2514 (cell), or email. Thanks.

Dave
