Dear Director:

Per rule 603.a.(2), Petroleum Development Corporation is requesting an offsetting surface property line waiver for the above-captioned well, located in the NENW of Section 19, T5N, R63W.

The locations were moved to this location per the request of the surface owners. This location is a good location to reduce the impact on farming operations.

We respectfully request that you approve this waiver per the request of the surface owners. Attached is the offsetting surface owner waiver.

If you have any questions, please contact Sarah Garrett at 303-860-5800.

Thank you,

Sarah M. Garrett
