Dear Terry & Rhonda:

Please be advised that Conquest Oil Company has staked and is in the process of permitting the referenced well at 500' FNL, 600' FWL. Drilling at this specific location will require your approval because it is closer to your property line (at 16503 WCR 47, LaSalle, CO 80645) than is recommended by COGCC rules. As owner of this parcel (105532200041), you have the ability to authorize an exception and allow Conquest to proceed with the drilling as planned by completing the attached waiver.

Please fully execute the following waiver and return to Conquest Oil Company. Should you have any questions or concerns please feel free to contact us at the number below.

Thank you for your cooperation in this matter.

Sincerely,
CONQUEST OIL COMPANY
