Re: **Rule 318A.a. & 318A.c. Waiver**  
Guttersen 25KD  
Weld County, Colorado

Dear Director:

Per rule 318A.a. and 318A.c., Petroleum Development Corporation is requesting a surface location waiver for the Guttersen 25O well, located in the SENW of Section 25, T3N, R64W.

The Guttersen 25KD was moved to this location outside of a GWA window per the request of the surface owners. This location is a good location to both reduce the impact on the surface owner and to increase the number of wells reachable from one well pad.

We respectfully request that you approve this waiver per the request of the surface owners and to reduce the impact on surface operations. Attached is the surface location waiver.

If you have any questions, please contact the undersigned at 303-860-5800.

Thank you,

Kelly Huffman
