COGCC Remediation No. 3899

Dear Mr. Faraguna,

Colorado Oil and Gas Conservation Commission (COGCC) staff has reviewed the remediation documentation submitted in October 2008 by Western Environmental Technologies for Petro-Canada Resources (USA) Inc. for the referenced site.

Based on review of this information, COGCC requires no further action at this time.

Please properly abandon the monitoring wells associated with this site in accordance with Colorado Division of Water Resources standards for plugging, sealing and abandoning wells and boreholes.

If you require any additional information, please call me at 303-637-7178.

Sincerely,

Nancy K. Prince for
John E. Axelson, P.G.
Environmental Protection Specialist
