Subject: Kaufman Pad #1 12A-25-692

Matt,

I am beginning my review of the COGCC Form 2A for wildlife BMPs for the Kaufman Pad #1 12A-25-692 pad.

This pad is located in mule deer critical winter range and elk winter concentration area.

The pad is fee/fee.

According to the COGCC web site Barrett has not submitted wildlife BMPs for the pad. Will you please send me a list of wildlife BMPs you intend to use at this site?

I will review them and be back in contact with you.

The consultation deadline for this permit is Wednesday, June 16, 2010.

Please let me know if you have any questions.

Thanks

Michael Warren
