RE: **Well Set-Back (Twinning) Exception Consent**  
RURAL LAND G32-33D  
Township 4 North, Range 65 West, 6<sup>th</sup> P.M.  
Section 32: NW/4SW/4  
Weld County, CO

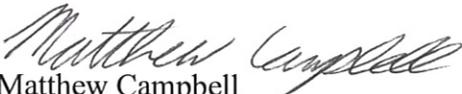

Dear Mr. Silva:

Noble Energy, Inc. ("Noble") plans to drill the RURAL LAND G32-33D well (the "Well") at the referenced location which is more specifically described as 728 feet FWL, and 1,903 feet FSL.

The Well is being proposed at a surface location approximately 138 feet from the existing Vern Marshall #1 well location and 153 feet from the existing Marshall 32-12D well location. By signing this letter you, as Surface Owner, grant your consent to Noble to locate the Well more than 50 feet from the existing wells as provided for under COGCC Rule 318A.c.(2).

We would like to thank you for your assistance in this matter. If you have any questions do not hesitate to call me at (970) 785-5000.

NOBLE ENERGY, INC.

  
Matthew Campbell
