Dear Director:

Per rule 603.a.(2), Petroleum Development Corporation is requesting an offsetting surface property line waiver for the above-captioned well.

The locations were moved to this location per the request of the surface owners. This location is a good location to reduce the impact on farming operations, and will be approximately 90 feet away from the property line.

We respectfully request that you approve this waiver per the request of the surface owners and to reduce the impact on farming operations. Attached is the offsetting surface owner waiver.

If you have any questions, please contact the undersigned at 303-860-5800.

Sincerely,

Kelly Huffman
