Re: Barnes GU A #4 (Proposed New Well)
La Plata County, Colorado

Ladies and Gentlemen:

In accordance with COGCC Order No. 112-180, please be advised that BP America Production Company intends to drill a Fruitland Coal gas well, the Barnes GU A #4, in the NE/4SW/4 of Section 2, Township 33 North, Range 9 West, NMPM, La Plata County Colorado.

Enclosed are a Topography Map and a Vicinity Map of the area showing the approximate well location. This well site is on fee surface and minerals and will entail the use of approximately 350 feet of new road.

If you have any questions concerning this matter please contact us at the above address or phone number 970-335-3828.

Sincerely,

Susan Folk
