Gentlemen:

Reference is made to prior notice letters and communication we have had on your lands, as captioned. As we have added some proposed well locations, we wanted to provide you with this new notice letter. Therefore, in accordance with the requirement of Rule 305.e.(1).B. of the Colorado Oil and Gas Conservation Commission (COGCC), this letter serves as a 30-day notice by Petroleum Development Corporation (PDC), of its intention to conduct drilling operations on the captioned wells.

I will be contacting you shortly to schedule a consultation to discuss the location of the well(s), access roads, production facilities and other related matters; however the well locations may be staked prior to a consultation. Pursuant to Rule 306, you may also use the enclosed postage prepaid postcard to request a consultation or to designate a representative for surface consultation. Also enclosed is a site diagram that depicts the area, per COGCC rules, within which the well(s) may be located, and the proposed location of the well(s), access road(s), and production facilities. Additionally, enclosed please find a copy of the COGCC's brochure describing surface owner rights and responsibilities, and a copy of the COGCC's on-site inspection policy.

As surface owner you have the responsibility for notifying any affected tenant farmer, lessee or other party that may own or have an interest in any crops or surface improvements that could be affected by these proposed operations. Should you have any questions regarding our operations or this notice, please feel free to contact me at contact me at (303) 517-3010.

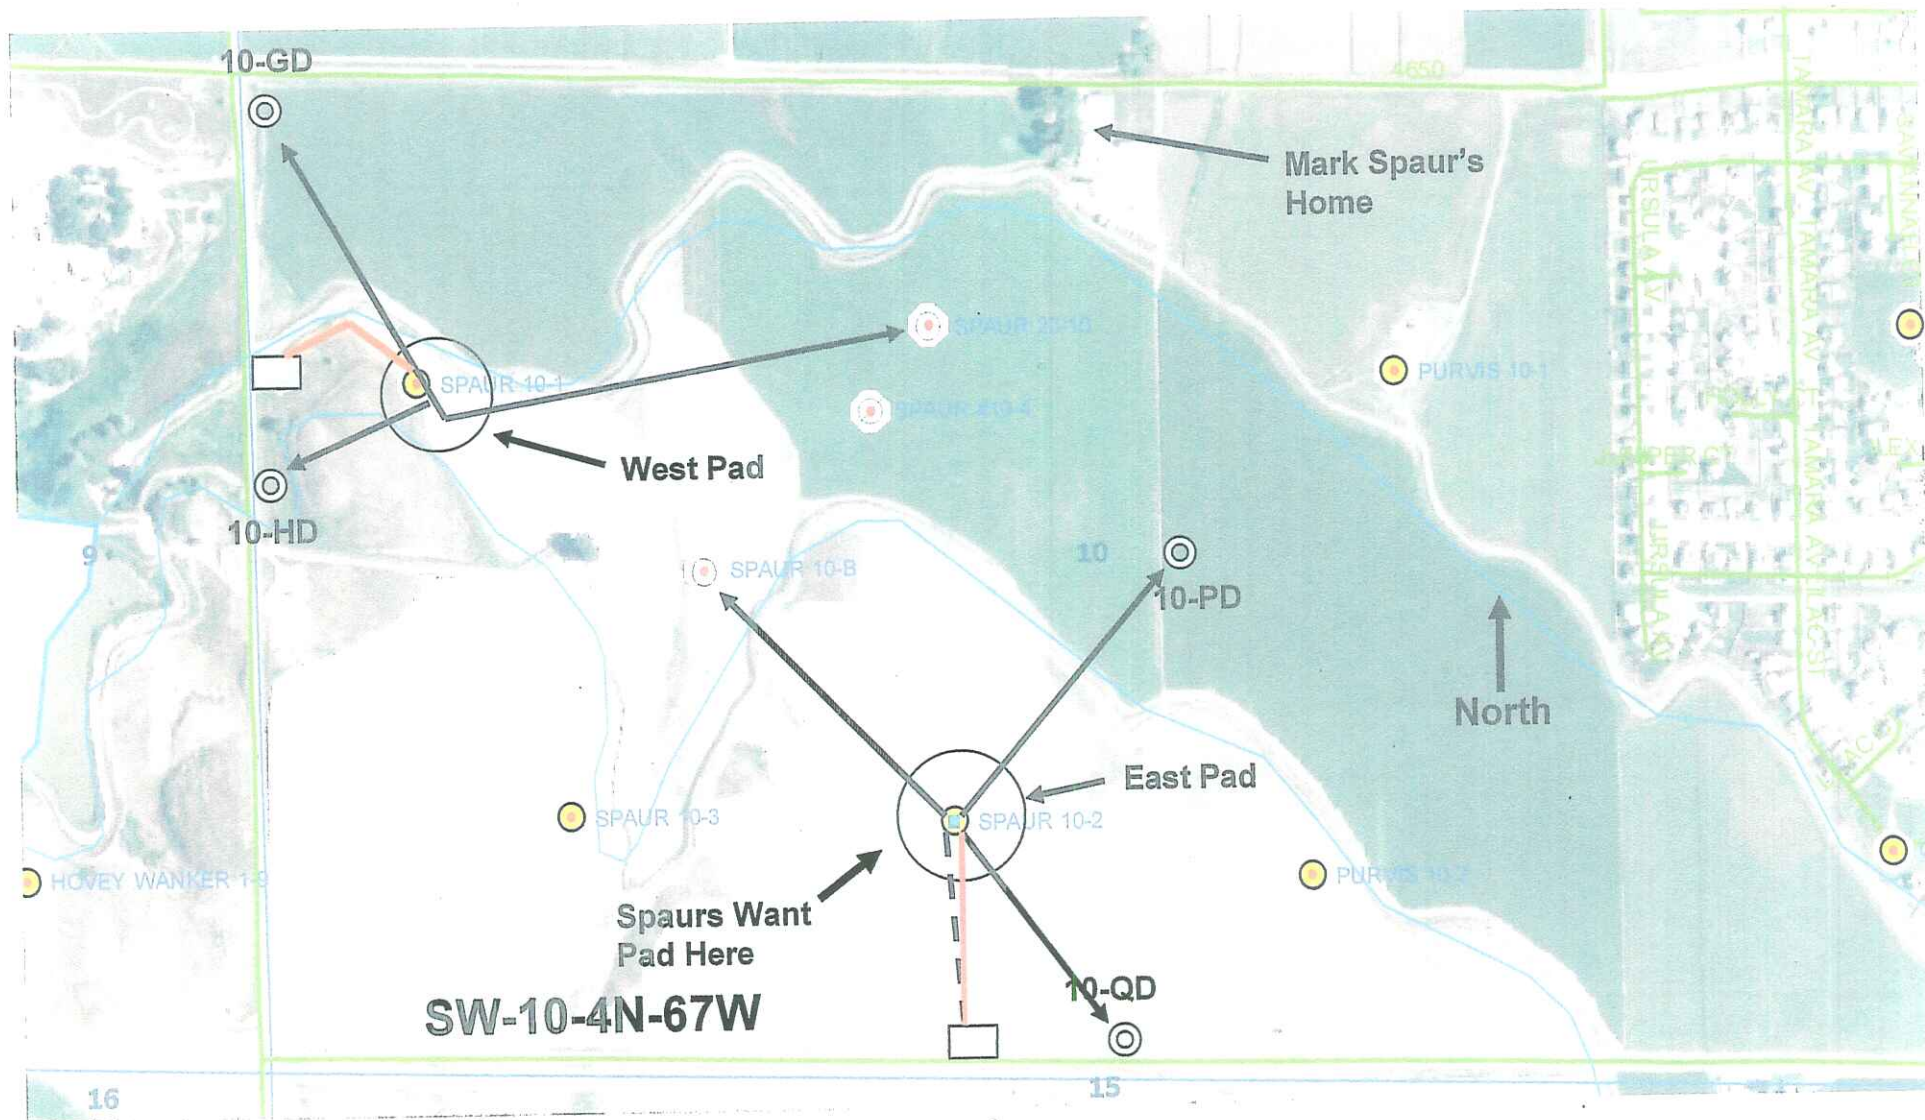

Sincerely,
PETROLEUM DEVELOPMENT CORPORATION
