Re: **Rule 603.e.(2) Waiver**
Petroleum Development Corporation
Ryland-Marostica Multiwell Pad
Weld County, Colorado

Dear Director:

Per rule 603.e.(2), Petroleum Development Corporation ("PDC") is requesting a high-density wellhead setback waiver for following wells:

Ryland 41-20D	Ryland 42-20D	EEE 21NDU
Ryland 20RD	Ryland 20SD	Centennial 21GDU
Ryland 20UD	EEE 11-21DU	Centennial 12-21DU
Ryland 20CD	EEE 21-21DU	Centennial 21KDU
Ryland 20VD	EEE 21ADU	Centennial 22-21DU

There are several structures on the property, and the nearest wells are within 350' of a barn. PDC purchased the property on April 30, 2010, and now is full owner of the surface. All structures are unoccupied, and will remain so through completion all wells. The house is, at the moment, uninhabitable due to a septic system which is not to code; PDC has no plans to repair it.

We respectfully request that you approve this waiver.

If you have any questions, please contact Sarah Garrett at 303-860-5803.

Thank you,

Sarah M. Garrett
