Diana Burn  
Oil and Gas Conservation Commission  
1120 Lincoln Street, Suite 801  
Denver, Colorado 80203

Dear Ms. Burn:

SUBJECT: FINAL SITE CLOSURE REQUESTS  
LANDOWNER APPROVAL DOCUMENTATION  
MITTELSTADT E-1 SITE IN LOGAN COUNTY  
STATE A1 SITE IN MORGAN COUNTY, COLORADO  
081-06530

Site closure approval is requested for two (2) Shell E&P Company, salt scar remediation sites identified with wells Mittelstadt E-1 (API 05-075-06727) site in Logan County and the State A1 (API 05-~~075-06530~~) site in Morgan County, Colorado. Enclosed are the landowner site restoration approval acceptance documents stating the remediation has been completed to their satisfaction. Soil analytical results and site photographs were submitted previously and inspector site visits were also previously conducted and approved. It is our understanding that these documents are all that are required for site closure status.

If you have any questions or comments, please don't hesitate to contact me at, 772-631-1448.

Sincerely,

R. M. "Bo" Douglas  
Environmental Engineer

## Mittelstadt E-1

### Landowner Site Restoration Approval Acceptance

## Site Restoration Approval Acceptance

As a legal landowner, or legal representative of the landownership for the salt scar area identified associated with the plugged and abandoned Mittlestadt E-1 oil and gas exploration and production well, API 05-075-06727, located in SWNW 29 10N 53W, Logan County, Colorado, I accept as adequate, the site surface restoration conducted by Shell E&P Company (SEPCO). The site restoration was done with my knowledge and permission and no further site restoration work will be required of SEPCO by the landowner for the this salt scarred surface area.
