Re: Clary GU #3 (Proposed new well)
La Plata County, Colorado

Ladies and Gentlemen:

In accordance with COGCC Order No. 112-190, please be advised that BP America Production Company intends to expand the Clary GU #1 well pad in order to drill a Fruitland Coal gas well, the Clary GU #3, in the SW/4 of Section 18, Township 34 North, Range 9 West, NMPM, La Plata County Colorado.

Enclosed are a copy of the Topography Map and Vicinity Map reflecting the proposed well pad expansion. This well site is on fee surface and minerals.

If you have any questions concerning this matter please contact us at the above address or phone number 970-335-3828.

Sincerely,

Susan Folk
