Dear Director Neslin,

Bill Barrett Corporation is requesting an exception, pursuant to Colorado Oil and Gas Commission Rule 603a.(2), for the above captioned wells which fall within 150' to the adjacent property owner.

This proposed multi- well site that facilitates the above referenced wells, is located mostly on BLM surface. The adjacent property owner signed a site specific Surface Damage and Release Agreement with approval of this location.

Should you have any questions or require additional information in order to approve this exception location, please do not hesitate to contact me at 303-312-8168.

Sincerely,

A handwritten signature in blue ink that reads 'Elaine Winick'.
