Dave,

I have reviewed your comments and the proposed COA's for item 2, 4, 5, and 7. Samson Resources agrees to the proposed conditions of approval for the above mentioned items.

Please let me know if you need more information.

Subject: RE: Samson Resources Company, Silver 33-5-1; Mansfeild 11-8 #1, Moffat County, Form 2A Review

Laura,
We have reviewed the submitted Form 2A for the above mentioned wells along with the email from Dave Kubeczko on July 7, 2010 with the COGCC requesting additional information. I have noted that concurrence regarding certain items in this email, have been addressed.

Attached please find the additional information requested.
This includes

Hydro Map pursuant to 303.d.(3).D. for each location

Soil Unit description

Site images pursuant to 303.d.(3).A

Form 15 for a special use request for a flare pit at each location (these will need to be signed by Georganne prior to submittal).

Let me know if you have any additional questions.

Thank you,

Brendan Cusick, CISEC
