RE: SE/4 Section 27 T7NR66W
Weld County, Colorado
Well Name: G&D Hanks 20-27, 10-27, 15-27

Dear Mr. Neslin,

Bayswater Exploration & Production, LLC respectfully requests your consent to drill the G&D Hanks 20-27, 10-27, 15-27 wells located 1055, 1067, and 1079 feet, respectively, from the South Line and 2063, 2085, and 2107 feet, respectively, from the East Line, in the SE/4 of Section 27 T7N R66W. This proposed surface location lies outside of the designated drilling windows according to the Rule 318.c. setback, for all wells drilled for oil and gas to a common source of supply.

During consultation, the surface owner requested the above designated location as to minimize interference with land usage.

Very Respectfully,

Ben Schuessler
