Ladies/Gentlemen:

Kerr-McGee Oil & Gas Onshore LP (KMG) respectfully requests the Director grant an exception to Rule 603 a. (2) to allow the above-named oil and gas wells to be drilled at the above described location which is approximately 47 feet from the nearest property line.

Rule 603 a (2) of the Colorado Oil and Gas Commission's Rules and Regulations requires a well to be drilled at least 150 feet from a surface property line. Per Surface Use Agreement dated April 27, 2007, complete SUA attached separately, KMG has obtained the right to locate the wells closer than 150' from the property line. Thank you for your consideration.

Very truly yours,

**Kerr-McGee Oil & Gas Onshore LP**
