Dear Director,

We have not received any objections to such well location or proposed spacing unit, therefore PDC hereby requests the Director to approve the Boundary well.

Please see the attached spacing unit map which certifies that the SE/4 of Section 2 will have no more than eight (8) bottom-hole locations producing from the Niobrara/Codell formation.

If you should have any questions or concerns regarding this permit, please contact the undersigned at (303) 860-5800.

Sincerely,
