Subject: Landowner Notice
My Way Ranch Federal A 5-15C Well
Mesa County, Colorado

Dear Mesa Land Trust:

Oxy USA Inc. (Oxy) is providing you with information that is required by certain rules established by the Colorado Oil and Gas Conservation Commission (COGCC). Please see attached for the following information being provided to you or required pursuant to the indicated COGCC rule:

1. Rule 305.e.(1).A – COGCC Form 2A, Oil and Gas Location Assessment for the captioned location, and is informing you that the complete application (including attachments) may be reviewed on the COGCC website and that you may submit comments to the Director, as provided on the COGCC website.
2. Rule 306 - As per the Accommodation and Surface Disturbance Agreement dated July 13, 2004, and the Amended Accommodation and Surface Disturbance Agreement dated March 28, 2006, execution of said agreements waives and satisfies the consultation requirement contained in Rule 306 of the COGCC.
3. Rule 303.d.(3).B – A list of major equipment components to be used in conjunction with drilling and operating the well(s).
4. Rule 303.d.(3).C – A scaled drawing showing all visible improvements within four hundred (400) feet of the proposed oil and gas location.
5. Rule 303.d.(3).E - An 8 1/2" by 11" topographic map showing the access road from the highway or county road to the proposed oil and gas location.

If you should have any questions regarding this notice or any of the attachments, please do not hesitate to contact me at 970.263.3641.

Sincerely,

Joan Proulx
Regulatory Analyst
