**RE: REQUIRED 30 DAY NOTICE OF DRILLING OPERATIONS FOR FRAM OPERATING, LLC,
SIMINOE 32-2-I; 32-2-L and 32-3 WELLS IN SEC. 32, T12S, R97W, 6TH PM, MESA CO,
CO.**

Dear Mr. Siminoe,

The Colorado Oil & Gas Commission (COGCC) requires that surface Owners of proposed drilling operations be notified at least 30 days prior to the start of such drilling operations. Fram Operating, LLC ("Fram") anticipates that drilling operations will commence within the next 90 days on one or more of the above referenced wells. We have included a copy of the COGCC "Oil and Gas Well Notification, Consultation and Reclamation Rules" for your review. I have also enclosed a plat showing the well location. This well will be approximately 30' northeast of the Siminoe 32-2 well. If you have a tenant leasing or working the property, please notify them of our intentions. An addressed, stamped envelope is included for your convenience.

By signing and returning the enclosed form, you indicate your understanding and acceptance of this notice. If you desire, the form also allows you to designate a representative for consultation regarding the methods of drilling and surface use. If you have any questions, please contact me at the number shown in our letterhead.

Sincerely,

Robert N. Koelbl, for
Fram Operating, LLC

30 Day Notice & 306 Consultation
Siminoe 32-2-I; 32-2-L & 32-3 Wells

Please execute the applicable sections below and return to Fram using the enclosed self addressed postage paid envelope.

1. I have been advised of the requirements of notice and consultation concerning the drilling of a well(s) on my property.

Vincent L. Siminoe

Date

2. I have been advised of the requirements of notice and consultation concerning the work-over of the well(s) on my property and waive the 30 day notice period.

Vincent L. Siminoe

Date

3. I have been advised and understand that more than 1 horizontal well may be drilled from the same surface location in different directions but in the same formation and therefore waive the requirements of COGCC Rule 318 pertaining to well spacing requirements.

Vincent L. Siminoe

Date
