Frank Trust 11-11H
Weld County, Colorado

Dear Director:

Per rule 318A.a. and 318A.c., Petroleum Development Corporation doing business as PDC Energy ("PDC") is requesting a surface location waiver for the above-captioned well, located in the NWNW of Section 11, T6N, R61W.

The location was moved to this location outside of a GWA window and not within 50' of an existing well per the request of the surface owner. This location will help to minimize the impact on the surface owner.

We respectfully request that you approve this waiver per the request of the surface owner and to reduce the impact on surface operations. Attached is the surface location waiver.

If you have any questions, please contact the undersigned at 303-860-5800.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kelly Huffman".
