Ladies/Gentlemen:

Kerr-McGee Oil & Gas Onshore LP ("KMG") respectfully requests the Director grant an exception to Rule 318A.c. Under the Revised Rule 318A.c of the Colorado Oil and Gas Commission's Rules and Regulations, it requires any new twinning well to be located within 50 feet of an exiting well.

The above referenced wells are more than 50 feet from the nearest oil and gas well. KMG has obtained a Surface Use Agreement dated June 6, 2003 in which KMG has received permission per Article 10A to request the exception to Rule 318A.c. Should you have any questions, please contact our office.

Thank you for your consideration.

Very truly yours,

KERR-MCGEE OIL & GAS ONSHORE LP
