Dear Director:

Per rule 603.a.(2), Petroleum Development Corporation doing business as PDC Energy ("PDC") is requesting an offsetting surface property line waiver for the above-captioned well.

The location was moved to this location per the request of the surface owners. This location is a good location to reduce the surface disturbance and will be approximately 118 feet away from the property line.

We respectfully request that you approve this waiver per the request of the surface owners and to reduce the impact. Attached is the offsetting surface owner waiver.

If you have any questions, please contact the undersigned at 303-860-5800.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kelly Huffman".
