Dear Director:

Per rule 318A.a. and 318A.c., Petroleum Development Corporation doing business as PDC Energy ("PDC") is requesting a surface location waiver for the above-captioned wells, located in the SWNW of Section 10, T4N, R67W.

The locations were moved to this location outside of a GWA window per the request of the surface owner. This location is a good location to both reduce the impact on the surface owner and to increase the number of wells reachable from one well pad to minimize surface disturbance.

We respectfully request that you approve this waiver per the request of the surface owners and to reduce the impact on surface operations. Attached is the surface location waiver.

If you have any questions, please contact the undersigned at 303-860-5800.

Sincerely,

A handwritten signature in blue ink that reads "Kelly Huffman".
