Wandell 8-2-7  
NENE of Section 7, T2N, R67W  
Weld County

Dear Mr Neslin

Pursuant to COGCC Rule 603 a (2), Encana Oil & Gas (USA) Inc (Encana) hereby requests administrative approval for an exception to COGCC Rule 603 a (2) which sets forth that a well shall be a minimum distance of one hundred fifty (150) feet from a surface property line

EnCana is the owner of the oil and gas lease covering the captioned lands and plans to drill the referenced well on an existing well pad. The subject well is staked at a location 101 feet from a surface property line to the southeast. Encana has obtained a signed waiver from the encroached-upon landowner. A copy of that waiver is enclosed for your file.

Sincerely,

Jevin Croteau
