Re: Request for Exception to Rule 318A-a & 318A-e
Pinnacle 2-2HZ
Township 1 North, Range 68 West
Section 2: SW/4SE/4
Weld County, Colorado

Ladies/Gentlemen:

Kerr-McGee Oil & Gas Onshore LP ("KMG") respectfully requests the Director approve an exception to Rule 318A.a and Rule 318A.e to allow the Pinnacle 2-2HZ well to be drilled at the above referenced location. Rule 318A of the Colorado Oil and Gas Commission's Rules and Regulations requires wells to be drilled/completed in a square with sides four hundred (400) feet in length, the center of which is the center of any quarter/quarter section or in the center of any quarter section with the four sides being (800) feet in length. The well being permitted is an exception location at the request of the surface owner.

KMG has obtained written permission from the surface owner. Should you have any questions, please contact our office. Thank you for your consideration.

Very truly yours,

Kerr-McGee Oil & Gas Onshore LP
