Randall,

Based on the information submitted, COGCC requires no further action at this time in regard to the release at the subject location. The release (SPILL #2521008 and Remediation #5403) has been changed to closed status in the Colorado Oil & Gas Information System. Please retain a copy of this email as verification of COGCC concurrence with the closure request.

Please give me a call if you need any additional information.

Thanks,

Nancy Prince

Subject: Avery 10B Form 27 Submittal

John:

Attached please find a Form 27 and supporting documentation for the subject site located in the SWSW Section 10 – T6N - R65W. A Form 19 was submitted on 8/27/2010 (Spill #2521008). Approx 160 cubic yards of impacted soil and 669 bbls of impacted groundwater were removed for offsite disposal.

Based on lab results of confirmation soil and groundwater samples, PDC is requesting No Further Action for this site.

Please call if any questions. Regards,

Randall H. Ferguson
