Mr. Troy M. and Shorlene Oliver
12958 RD. 16
Cortez, CO. 81321

Troy and Shorlene Oliver,

As per our previous conversation and visit to the well locations, please be advised that Kinder Morgan CO2 Co. L.P. plans to enter your property located in Sections 1 and 6 of T. 36, R. 18 W., NMPM, Montezuma County, Colorado. The purpose of this entry is the drilling of two (2) CO2 wells to be named GP-11 and GP12, building the necessary access road and to add additional Right of Way (ROW) for the connecting flow line. Further discussion will follow for settlement of surface damages and additional ROW's purchase.

Land is described as dry land farm ground in CRP at GP11 and dry land pasture at GP12.

In accordance with the Colorado Oil and Gas Conservation Commission (COGCC) rule 305, please receive this 30 day intent to drill notice to this effect. Notice starting on this 10th day of September, in the year 2007, as the day of this notice being hand delivered to you at your home in Cortez, Colorado. A notice will also be posted at the property mentioned above.

Also in accordance with COGCC rule 305, please receive the following required attachments and additional information for your use:

- 1) A copy of COGCC rule 305 and 306.
- 2) Copy of 'Oil and Gas Well Notification, Consultation and Reclamation Rules'.
- 3) A copy of FAQ's.
- 4) A plat showing planned well sites, access roads and additional pipe line ROW.
- 5) Operator information as follows; Kinder Morgan CO2 Co. L.P., 17801 Hwy 491, Cortez, CO. 81321
- 6) Company contact as follows; Bob Clayton, Production supervisor, 970-882-5507 (address same as above)
- 7) Estimated date of beginning operations; 11/05/07 or later.
- 8) Please understand that surface owner has the responsibility for notifying any affected Tenant of the proposed operations.
- 9) A return addressed, postage prepaid envelope to meet rule 306 requirements.

Drilling operations will not begin until all required State and County permits are issued.

No operation will begin until operator makes a reasonable payment to land owner for surface damage, use and additional ROW.

Sincerely,

Bob Clayton
Production Supervisor
