

2/24/04

Arthur and or Esther Wilson  
General Delivery  
Yellow Jacket, CO. 81335

Arthur and or Esther Wilson,

Please be advised that Kinder Morgan CO2 Co. L.P. plans to enter you property described as Sec.13, T-37-N, R-18-W - 660' FNL & 660FEL. The purposes of this entry is 1) the plug and abandonment the existing well, Wilson 13-37-18-#1 (also know as YA-1), and 2) the drilling of a new well, to be named YA-5, at the same location. Land is defined as non-crop land.

In accordance with Colorado Oil & Gas Conservation Commission rule 305, please receive 30 day drilling notice to this effect, starting on this 24<sup>th</sup> day of February, in the year 2004, as day of notice being hand delivered to your home in Yellow Jacket, CO.

Also in accordance with COGCC rule 305 please receive the following attachments and additional information for your use:

- 1) A copy of O&G Well Notification, Consultation and Reclamation Rules.
- 2) A copy of Rule 305 and Rule 306
- 3) A copy of FAQ's
- 4) A plat showing well site and approximate location.
- 5) Operator information, Kinder Morgan CO2 Co. L.P. 17801 HWY 491, Cortez, CO. 81321
- 6) Company contact, Bob Clayton, Field Supervisor, 970-882-5507 (address same as above)
- 7) Estimated date of operations, 4/5/04 or later.
- 8) Please understand that the Surface Owner has the responsibility for notifying any affected Tenant of the proposed operations.
- 9) A return addressed, postage prepaid envelope to meet rule 306 requirement.

No operations will begin until all required permits from the State and County are issued.

No operations will begin until operator makes a reasonable payment for surface disturbance, or whatever additional payments they may deem fair and reasonable.

Sincerely,

Bob Clayton  
Field Supervisor
