

### C.O.G.C.C. Notification Forms

Due to large number of email notices and varying styles of formats COGCC staff has chosen a form that has been used by some EnCana personnel to be the preferred notification form. This should help Operators to provide all the needed information and help COGCC staff to review notices more clearly.

To enter your info type all the info on the GENERAL INFORMATION sheet and it populates to the other sheets.

#### Notification Form

<b>Operator:</b>	OXY USA WTP LP
<b>Well Name:</b>	CC 697-09-48A
<b>Legal Description:</b>	39.535033-108.222161
