Marty,

COGCC has assigned Remediation Project #5465 (document #01761156) to the cleanup and ongoing groundwater monitoring at the referenced location. Please reference the remediation number on future monitoring/remediation reports associated with this project. A copy of the approved Form 27 is attached for your reference. The associated spill has been closed in the Colorado Oil & Gas Information System with a reference to the approved Form 27.

Please give me a call if you have any questions.

Thank you,
John
