Synergy Resources Corporation as Operator of the above said wells, in the C/SW/4 of Section 29, Township 1 North, Range 68 West, hereby request a surface property line waiver from Denver Regional Landfill, Inc.

Pursuant to the Colorado Oil and Gas Conservation Commission **Rule 603 a.2**; A well shall be drilled a minimum of one-hundred and fifty feet (150') from surface property line. An exception may be granted by the Director if it is not feasible for the operator to meet this minimum distance requirement and a waiver is obtained from the off-set surface owner. An exception request letter stating the reason for the exception shall be submitted to the Director and accompanied by a signed waiver from the off-set owner. Such waiver shall be written and filed in the County Clerk and Records office and with the Director.
